

23 April 81

MEMORANDUM FOR THE RECORD SG1J

SUBJECT: Discussion with [REDACTED]  
re. Project 8035 (u)

1. (S/NOFORN) On this date at 1005 SG1J  
hours I spoke with [REDACTED].  
[REDACTED] stated he desired to  
see continued GRILL FLAME collection  
against the original three coordinates.  
He provided the following four  
UTM coordinates for additional  
targeting:

SG1A

[REDACTED]

Of the above four UTM coordinates,

SG1J

[REDACTED] had no particular  
order of priority, except to request  
that #c [REDACTED] be

SG1A

targeted first.

(Continued)

SG1J

23 April 81

2. (S/NOFORN) I asked [REDACTED]  
again for alternate targeting  
systems, such as names  
and/or photographs of key  
players on both sides against  
which we could target in  
time (i.e., to determine incarceration,  
death, etc.) [REDACTED] SG1J  
said he might have something  
which could be used, and would  
look into it.

Kenneth V. Bell, Jr.
